**Spend nine days in the heart of the British countryside during peak crop circle season with Crystal Masters, Raym and Chicchan.**

We will walk in crop circles that are created while we are in the area. We will have a private group meditation inside Stonehenge early one morning and on another day we have exclusive access to the Chalice Well. We will also create our own sacred summer solstice ceremony at the retreat, a sacred site or crop circle.

We will visit Glastonbury Tor, Avebury stone circle, Merlins cave at Tintagel and St Michaels mount, as well as other ancient sacred sites in the area.

This tour is open to anyone on a spiritual path who is ready to expand their consciousness into light and unconditional love.

You will need to be fit and ready for activation during this trip, as crop circles are not always easily accessed. We will be creating a sacred space for healing and activation, through meditation, Crystal Dreaming and unique ceremonies at sacred sites and crop circles, throughout our journey together.

The tour price includes transfers to and from Central London, accommodation, transport and self catering food for 9 days. This intimate tour is limited to ten participants, a \$500 deposit secures your place.
